

Dear Student (and Parent!),

Your teacher is planning to use Boom Learning this year!

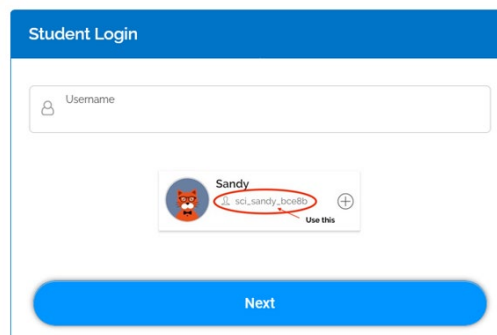

To sign into your new Boom Learning student account, you will visit:

<https://wow.boomlearning.com/signin/student>

Once you get to the Student Login Page you will choose the “Sign in with Boom” option:

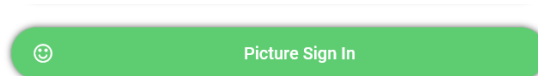

Your teacher should have provided you with a username and a password to use to log in. When you type in your username, you will be directed to type in the password provided.

### Using Picture passwords:

When using pictures to sign in you will type in your username as normal and click on the green “Picture Sign In” Button at the bottom of the box.

Click on the pictures provided by your teacher and click the green Sign In button when done you will be ready to use your new Boom Account!

If you have issues logging in, please contact your teacher immediately! They can reset your password and provide log-in assistance.
